**AAR: Police Respond to Shooting Incident at the
Greenwood Park Mall**

Message From MABPRO:

MABPRO offers our condolences to the families that have lost loved ones due to these horrible tragedies that have been taking place recently in our nation.

The purpose of this assessment is to provide information that will hopefully help people regain their confidence and sense of safety in public. There is no guaranteed fix, but we can, however, do our best to educate ourselves on what to do if we ever found ourselves in the midst of a crisis.

AAR: Police Respond to Shooting Incident at the Greenwood Park Mall

A mass shooting occurred at the Greenwood Park Mall in Greenwood, Indiana. Three people were killed and two others were injured in the shooting.

Around 4:55 p.m. the perpetrator, 20-year-old Jonathan Sapirman, walked a mile from his apartment to the mall, carrying a semi-automatic rifle, a pistol, and over 100 rounds of ammunition.

He went into a restroom near the mall's food court and did not come out until an hour and two minutes later, at which point he started shooting.

At 5:56 p.m., he first shot and killed Indianapolis native Victor Gomez, who was standing near the restroom entrance.

He then turned and fired at a nearby table, fatally shooting Pedro and Rosa Pineda, a married couple from Indianapolis. Sapirman then continued to fire at mall patrons, injuring a 22-year-old woman and a 12-year-old girl.

Fifteen seconds after the shooting began, Elisjsha Dicken, a legally armed 22-year-old man from Seymour, engaged the shooter in a gunfight, hitting the shooter eight times.
